Professional Organizations

Are you currently a member of Science Teachers of Missouri (STOM)? YES NO

Are you currently a member of the National Science Teachers Association (NSTA)? YES NO

Release Form:

The QUEST program has permission to photograph me during the hours of the QUEST Teacher Program for promotional purposes, including, but not limited to, press releases, QUEST promotional material, etc.

Please initial _____

Past Participation in QUEST

Please describe what you learned from attending QUEST last year, and how this has impacted your classroom teaching. (Provide specific examples.)

Please describe what you hope to learn by participating in QUEST this year. (Provide specific examples.)

I understand that QUEST is a **year-long professional development program**, and commit to participating in the 2-week summer institute, as well as a fall and spring follow-up session (in person). I also understand that project staff will visit my classroom during the academic year, to observe and provide individualized support to help me reach my professional development goals. Furthermore, I understand that I will be required to participate in online discussions and activities with my QUEST colleagues once a month during the academic year.

Participant Signature: _____ **Date:** _____

QUEST: Quality Elementary Science Teaching

Administrative Letter of Commitment

Submit one copy for each school participating in QUEST. Teachers will not be admitted to the program without an administrative letter of commitment.

As principal of a participating school in the QUEST: Quality Elementary Science Teaching program funded by MDHE, I hereby commit to the following:

- Supporting the teachers listed below in participating in follow-up activities related to the QUEST program by:
 - Providing release time and substitutes (total of 2 days) to allow participation of the teachers listed below in follow-up activities in the Fall (STOM) and Spring (TBA)
 - Providing professional development funds/registration fees to these teachers to attend the STOM conference (administrators' stipend can be used for this; see below).
- Cooperating, as agreed by the school district, with program evaluation efforts by providing access to student data including classroom-level MAP test results and common assessments from participating and non-participating teachers in my building.

Printed Name: _____ Signature: _____

School: _____ District: _____

Participating Teachers (at least TWO are suggested per building):

Additional Administrative Participation

A special session for school administrators will take place July 16-17th (overnight housing and meals are provided). Schools that send an administrative representative (e.g., principal, curriculum specialist, etc.) to attend the QUEST Administrator Sessions at the MU Summer Institute will receive a \$500 stipend. As part of these sessions, attendees will develop a school-based Action Plan for supporting teachers in implementing what they learn during the summer institute, and sharing their new knowledge and skills with colleagues. Additional funding up to \$1500 is available through the MU Partnership for Educational Renewal for eligible districts. Attendees will receive support in developing grant proposals.

_____ My school WILL NOT be sending an administrative representative/participant.

_____ My school WILL be sending the administrative representative/participant indicated below.
